I am a passionate and proactive **architect** with extensive experience in **architectural and exhibit design**. My background includes overseeing small to medium-scale residential and commercial developments, with a focus on harmonizing nature and the built environment. My work is distinguished by meticulous **attention to detail** and **adaptability** in **collaborative** environments.

SKILLS

Proficiency in **Adobe Photoshop, Illustrator, and InDesign**, as well as CAD software like **AutoCAD, Revit, and SketchUp**. Experience in detailed model creation using **laser cutting, handmade methods, and 3D printing**. Proficiency in rendering with **3Ds Max and Rhino**. Fluency in **Spanish and English**, with basic knowledge of **Portuguese**.

PROFESSIONAL EXPERIENCE

Architect Designer 2019 - Ongoing

Éter Arquitectura + Muga Studio

- Five years of experience in commercial, residential, and interior projects, developing conceptual, architectural, and executive designs with high visual impact.
- Work focused on contemporary design that aligns with clients' needs and budgets.
- Administration and management of construction sites, centred on collaborating with clients, suppliers, and construction workers.

Architectural Designer April - September 2022

"Comité de Proyectos" Interior Architecture Studio

- Commissioned for the executive project and planning of the renovation of a residential complex.
- Responsibilities included reviewing engineering plans, selecting materials, lighting, and furniture, and maintaining close communication with team members.

Architectural Designer and Resident Architect September 2018 - August 2019

"Higgs SpaceLab" Architecture Studio

- Handled architectural project planning, including schematic design, executive documentation, model production, and presentation boards.
- Coordinated engineering and architectural projects, managed construction resources, supervised work, and delivered presentations to clients and suppliers.

Junior Architect April - October 2018

"Blanco" Architecture Studio

- Development and assistance with architectural project planning, including schematic design, contract documents, model production, and presentation boards.

Intern Architect May - August 2015

Mauricio Rocha + Gabriela Carrillo's Architecture Office

- Assisted with the manufacture of detailed conceptual, presentation, and for-sale models at various scales for diverse architectural projects.
